

MERRY Christmas

ALETA & AUSTIN

MARK & KATELYN

“ *With so many voices trying to influence the minds of our children, my husband and I recognize that, as parents, we need to take a more active part in our children’s lives than ever before. As a mother, I want my son to grow up to be a strong, independent, respectful leader in society who treats women with honor and dignity. While attending Knight to Remember, I saw a side of my son that I hadn’t seen before. We got dressed up and enjoyed a fun evening together.*

By taking the time out of our busy lives to attend Purity Ball and Knight to Remember, my husband and I are telling our kids that they matter, that they are important to us and that we truly do believe what we are teaching them.

IMPACT THE GENERATION OF TOMORROW

At Abstinence Clearinghouse, parents like Mark and Aleta encourage us by actively seeking tools to help teach their children how to pursue virtuous lifestyles. We believe that it is important to educate and empower young people to make honorable, virtuous choices regarding purity and abstinence until marriage. That is why we host parent-teen events such as the *Purity Ball* for father figures and daughters ages 12-18 and the *Knight to Remember* for mother figures and sons ages 12-18.

Your partnership continues to provide age-appropriate resources, hosting parent-teen purity events and advocating on behalf of youth across our nation.

A gift of \$500, \$250, \$100 or any amount impacts the next generation by equipping parents to promote virtue and purity in the lives of their children.

Raising the bar,
